

Brake and Chassis Experts

October Tech Tip

All rear caliper , to wind piston back in you need to rotate the piston clockwise, except for the following models.

Ford Five Hundred 2005-2007

Ford Free Style 2005-2007

Ford Taurus 2008-2009

Mercury Montego 2005-2007

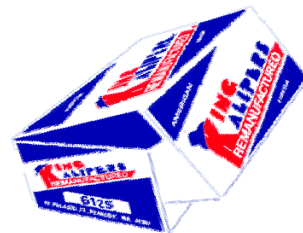

Mercury Sable 2008-2009

The **right side caliper** is counter clockwise and the left is clockwise .

Jaguar X Type 2005-2008

The **left side caliper** is counter clockwise and the right is clockwise.

We would like to Thank **J D Lindsey** from **King Kaliper** for the technical information.
